

Non-Exclusive Distribution with UnderDogs.com

stantheman, Friday 07 September 2012 - 16:39:18

UnderDogs Film Fest is presented by UnderDogs.com for two reasons. First, the festival is intended to introduce audiences to quality independent films from talented filmmakers that don't have the marketing advantages of big Hollywood studios. Second, the festival is an opportunity for UnderDogs.com to discover films that are ready for commercial release, but lack a means of distribution to wide audiences.
